Dear Sir/Madam,

AMRE SAFETY SEMINAR – 07 NOVEMBER 2025

THEME: GENERAL SAFETY WITH A FOCUS ON ELECTRICITY & WINDERS

ANNOUNCEMENT AND CALL FOR PAPERS

The Association intends hosting its 2nd face to face seminar on Friday, **07 NOVEMBER 2025**. All members, mining companies and suppliers are strongly encouraged to participate in this event.

With a continued strive for ZERO HARM, it is necessary that we remind each other of the lessons learned in the past and the systems that were implemented to prevent recurrence of accidents.

To this end, we are calling for short presentations relating to general incidents, lessons learnt and legal requirement of Electrical systems and Winders.

Please respond by completing the attached form and submit it, along with a brief synopsis of your proposed presentation, and e-mail it to me by no later than **16 October 2025**.

The venue will be communicated in due course.

This Seminar will be accredited with ECSA. Presenters would be eligible for The Best Presentation award at the AMRE AGM.

Yours faithfully

Charmaine Motsamai
